

A VISION for Martin Luther King Park San Antonio, Texas

presented by the Freedom Foundation

The Freedom Foundation is seeking \$230 million of public and private funds for M.L.K. Park Development. M.L.K. Park, we believe, is a prime site to be developed as an international, world class, cultural & heritage tourist destination.

The San Antonio Parks & Recreation Department has completed the Martin Luther King/Wheatley Hts. Park Master Plan which includes an Afro-Centric museum. The Museum will be located inside M.L.K. Park near E. Houston St.

The Master Plan also calls for a 5,000 seat outdoor Amphitheater. It too will be located inside M.L.K. Park near E. Houston St.. A variety of live entertainment will be presented for your enjoyment: R&B, Jazz, World Music, Gospel and more.

An Aviary for exotic birds will be a unique addition to M.L.K. Park. Two elegant Gateways and a scenic Boulevard through M.L.K. Park will be built to link E. Houston and M.L.K. Dr. creating an entrance at E. Houston @ Noblewood.

In commemoration of the forty innocent men, women and children that lost their lives during the Civil-Rights Era (1954-1968) a Civil-Rights Memorial Garden is to be constructed opposite the entrance to M.L.K. Park. Donations are welcome.

An amusement park will be constructed inside M.L.K. Park that will feature its own Freedom Train. Special occasions of all kinds are to be held in the park - creating memories that will last a lifetime. Come and create your own memories

Salado Creek will be the RiverWalk of the East Side. Salado Creek is to be renovated to have the look and feel of the RiverWalk. Tourists from around the world will come to experience and enjoy this new and exciting cultural & heritage destination.

A new Martin Luther King Statue will be commissioned for M.L.K. Park at a cost of \$150,000. It will be made of the same quality of materials and artistic excellence as the statue of the late T.C. Frost located downtown opposite the Frost Bank.

Other attractions will include a horseback riding stable, carousel, ferris wheel, kids fun fountain, and seasonal festivals. The Freedom Foundation is a non-profit 501 C(3) organization.
